

An abstract artwork featuring a textured surface. The composition is dominated by three main color areas: a bright yellow area in the top left, a dark black area in the center, and a large, light yellow-green area on the right and bottom. The textures vary, with some areas appearing fibrous or paper-like, and others more solid. The overall effect is one of layered, organic forms.

I premi de tardor de pintura
jove d'eivissa i formentera
I premio de otoño de pintura
joven de ibiza y formentera

Joan Àvila Fuster
